THE GREEN GHOST

A sharp piercing scream filled the night. Two gangsters rushed across the lawn of Fred Miller's home and rushed into a car. "Come on," one of them yelled. "we got the inventor's kid."

The car raced into the night. Suddenly one of the gangsters yelled, "Cripes, this kid's got red hair. We got the wrong kid."

"Gee," barked the second gangster, "the boss'll kill us for this."

The gangster opened the door of the car. As he was about to throw the little boy out, suddenly a green dart pierced his throat.

"AGHHHHH!" screamed the gangster as he fell dead, still holding the boy in his arms.

The other gangster looked at the green dart and shouted, "It's THE SIGN OF THE GREEN GHOST!"

"Green Ghost!" gasped the driver. He jammed his foot down on the accelerator. But, before the car could pick up more speed a huge boulder appeared on the road blocking its course. The car screeched to a halt.

"Green Ghost!" screamed the driver as he fled.

The other gangster tried to follow. But too late! The Green Ghost dived down on him.

"Let me live," wailed the gangster.

"I will," replied the Green Ghost, "but first tell me who sent you?"

"SIGI," gasped the gangster.

As the name rang in his ears, the Green Ghost knew that he was battling the most dangerous criminal in America. Quickly, he grabbed the boy and jumped into the car, but suddenly a treacherous cry rang out in the night.

"Ha! Ha! Green Ghost, while you were chasing my men, I kidnaped the inventor's son. The valuable television plans will be mine for ransom. Ha! Ha! I don't believe in Ghosts."

With Sigi's laughter still ringing in his ears, the Green Ghost leaped from the tree to the

balcony of the inventor's home. "I've got a plan to catch Sigi," said the Green Ghost as he silently entered the house. "but the inventor will have to help me."

The next day Sigi received the answer to the message he left with the inventor. The ad in the paper read, "I'LL HAVE PAPERS IN CEMETERY AT MIDNIGHT."

Miller nervously paced the cemetery grounds. All about him were grave stones. A lone tree stood in the cemetery. From the hill above, one could see the surrounding country side for miles. Suddenly, a car stopped on the hill. Out of it came Sigi. He held the inventor's son with one hand and carried a machine gun in his other.

"Give me the papers," he commanded. "One phony move, and I'll blast your son."

The inventor handed Sigi the papers.

Sigi looked at them, and roared, "Why, they're fakes. I'll machine gun your kid."

Suddenly, the branches in the tree rustled. Sigi yelled, "Another step and the kid dies. I don't believe in ghosts."

A sharp wind swept across the cemetery. "Oh no," laughed the Green Ghost, as he snapped an invisible string, "then look behind you."

Sigi turned and saw weird figures flying over the tombstones toward him. "YIII!" he screamed, as he became paralyzed in his tracks.

Before he knew it, the Green Ghost leaped down on him and smashed him to the ground.

Sigi sprang up at his assailant and cursed as his blows went wild. The Green Ghost stepped under the gangster's arms and ended the fight with an uppercut to the jaw.

"Boy," laughed Miller, as he hugged his son, "those bed sheets came in handy. You certainly knew we'd get a strong breeze at the right moment." The inventor looked up. The Green Ghost was gone, and the friendly wail of police sirens filled the air.

MY SECRET NEW DYNAFLEX METHOD

**CAN BUILD YOU A
MAGNIFICENT NEW HE-MAN-MUSCLED BODY
IN JUST TEN MINUTES A DAY—with absolutely
NO weights—NO bar-bells—NO EXERCISE AT ALL!**

Yes! If the girls LAUGH at you now when you take off your shirt—they'll be breaking down the doors to get dates with you—once they've seen the rugged DYNAFLEX BODY I can give you! I'll build you a tough brutal massive body—shoulders clad with solid inches of he-man BRAWN. I'll give you bulging biceps, trip-hammer fists, power-packed legs, and a chest that will have you popping the buttons off your shirt with pride!

(—says MIKE MARVEL,
"Builder of Champion Bodies")

In my classes this same course
of instruction would cost \$110.00.

ARE YOU ASHAMED OF YOUR BODY NOW?

Pal—do YOURSELF a favor! Take a good long look in a mirror. Do you see a puny, starved body—scrawny arms—bony shoulders—a flabby stomach and skinny legs? Or girls laugh and fellows grin when you take off your shirt?

BELIEVE IT OR NOT!—I can add solid pounds of rippling, steely he-man MEAT to your build. I can take those scrawny arms and PACK EVERY INCH with explosive virile MAN-MUSCLE. I can take that caved-in chest and build an six rugged inches of strong sleek MAN-SIZED BRAWN. I can clothe your skinny frame with GIANT RIBBLING DYNAFLEX MUSCLES that will have the girls gasping with awe and admiration! And with NO tiring exercise! NO high-priced bar-bells or gym equipment!

Or is your problem a body sagging with soft rolls of unhealthy, unhandsome FAT? Puffy muscles—sagging stomach—bloated face—arms heavy with layers of FLUBB—Are you ASHAMED to go in the beach and let them see your "FAT-MAN PHYSIQUE"?

If so, wake up, fella! THIS IS IT! I will peel off that fat and give you a lean virile DYNAFLEX BODY, armored with a sheath of hard tough handsome muscle. I can build you into a healthy, streamlined HERCULES—bursting with dynamic manly strength. I'll give you a fast rock-hard midsection—legs muscled like coiled steel springs. I can pack solid DYNAMITE into your biceps and give you a rugged handsome build brim-full of the magnetic SUPER-BODY SEX-APPEAL girls are hungry for. And with NO starvation diets—NO fatiguing calisthenics—NO expensive health-foods!

HOW DYNAFLEX BUILDS BEAUTIFUL BODIES

DYNAFLEX is the modern miracle of body-building. It takes no tiresome exercises, "crash" diets, protein foods, and no weights or bar-bells. DYNAFLEX is the amazing discovery of a West German Doctor

whose research into the Science of Strength found a brilliant new way to build GREAT BRAWNY MUSCLES in ten minutes a day. With DYNAFLEX you "flex" each muscle once—in a certain way—that is more effective than if you exercised that muscle 20, 30, even 100 times the old-fashioned way. With DYNAFLEX you get bigger results in ten minutes than after hours of grueling and graining, heaving heavy weights.

DYNAFLEX coaxes each muscle in your body to bring out its reared, steely fullness and satiny symmetry. DYNAFLEX packs that muscle with glowing vibrant new strength and energy—FAST. In ten minutes a day I can cover your bony frame with healthy rippling muscle—give you a deep, powerful chest—solid shoulders and iron wrists—tough, slim midsection—and trim, steel-spring legs—simply thru "DYNAFLEXING" each muscle once a day!

There's nothing wrong with the bar-bell and weight-lifting method... but why bother? Why waste time and money, why sweat and strain your way to a streamlined symmetrical SAMSON-STRONG BODY—when you can do it better—easier—faster—easier with the DYNAFLEX SECRET?

STRONG-MAN SEX-APPEAL ATTRACTS GIRLS

Be honest. Down deep you KNOW you envy the boy with the virile, magnificent build. Every man and boy secretly desires a broad brawny back, a solid man-muscled chest, handsome he-man shoulders, arms rippling with tough, steely sinews, a narrow waist, slim hips and springy, power-packed legs. Girls go for a fellow with TWO FISTED BIG MUSCLE SEX-APPEAL... and they only laugh at skinny guys or "fatso's"!

Let me give you a glowing new body, brimming over with energy and irresistible inches of solid muscle on your chest—he-man appeal. I can build three inches of beef and brawn on your shoulders. I will mold you a handsome super-body of terrific strength, give you a crushing grip, legs crammed with steel springs. A lean taut rock-solid punch-proof midsection. Pack your body with energy and thrilling stamina that will have girls falling at your feet.
